ATTESTATION OF CONFORMITY

QP-16-09-30-08

Pursuant to supervision agreement SPL-09-04-20, order number 259114 of 20 April 2009, this attestation is valid for the products

Melamine faced particleboard P2 Deco Maxx

(Melamine faced particleboard according to DIN EN 14322)

nominal thickness range: 6 mm – 60 mm

manufactured by

Nolte Holzwerkstoff GmbH & Co. KG
Konrad-Nolte-Straße 40
D-76726 Germersheim

at its manufacturing site

Nolte Holzwerkstoff GmbH & Co. KG
Konrad-Nolte-Straße 40
D-76726 Germersheim

This document confirms, that the manufacturer applies a factory production control for the determination of formaldehyde emission according to DIN EN 717-2, biannually monitored by supervision and certification body

Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH)
Zellescher Weg 24
01217 Dresden, Germany

based on supervision agreement SPL-09-04-20, including test of samples from the plant in the EPH test laboratory.

As a result of the supervision conducted on 17 February 2016 and on the basis of the supervision report 02-2016 of 30 September it is hereby confirmed, that above mentioned products fulfil the requirements of formaldehyde emission class 1 according to DIBt guideline 100.

Thus the conditions for the validity of the certificate QP 15-04-01-09 for the monitoring period of October 2016 to March 2017 are still given and remains valid as along as the mentioned test procedures and/or requirements of factory production control for the determination of formaldehyde release acc. to DIN EN 717-2 are unchanged and the product and manufacturing conditions in the plant are not changed significantly, unless the certificate was suspended or withdrawn by the product certification body.
